

Host a tree giveaway in
your neighborhood this fall through the NEW
TREE YOUR BLOCK program!

TREE YOUR BLOCK

Team up with Keep Denton Beautiful to give away free trees
and tree planting resources in your neighborhood through a
one-day mini tree giveaway event!

Through the free Tree Your Block Program, KDB will provide your neighborhood with:

- ◆ 100 trees per neighborhood area, delivered to the site of the giveaway event
- ◆ Tree owner's manual booklets for all participants
- ◆ Sign-in sheets to register planting addresses for all participants
- ◆ A comprehensive planning guide to help you coordinate and host your neighborhood's tree giveaway event

**For questions,
or to sign up to host a giveaway,
contact Keep Denton Beautiful at
(940)349-8739**

Neighborhoods agree to:

- ◆ Water and care for trees in the interim days between delivery and the giveaway (if needed)
- ◆ Select a lead volunteer (usually a resident and active member of the community) to work directly with KDB in making arrangements for the giveaway
- ◆ Register a planting address for each tree you give away, using the provided sign-in sheets
- ◆ Arrange a location in your neighborhood for the giveaway (i.e., a rec center, club house, etc.), coordinate traffic needs, and oversee logistics on the day of the giveaway
- ◆ Spread the word about your tree giveaway to neighbors using the provided door hangers and promotional materials
